THIS IS UNEVALUATED INFORMATION

1. Recent rumors that industrial enterprises which had up to now been in Soviet hands were to be returned to Hungary appear to be accurate. It is now said that all enterprises except Maszoviet (Hungarian-Soviet-Airline), Meszhart (Hungarian Marine Transport Co.), and those producing bauxite will be returned.
2. It is certain that the Keleteuropai Biztosító (East European Insurance Co.) has been returned to Hungarian ownership, for one of the senior officials received instructions to make necessary preparations for handing over affairs from the Soviet General Manager to another person.
